

# Architectural Precast Concrete

# COLOR GUIDE

The logo for Molin, featuring the word "MOLIN" in white, bold, uppercase letters centered within a red, horizontally-oriented oval shape.

**MOLIN**

Quality Concrete Solutions  
since 1897

Matrix color selections are determined by the color of cement, pigments and aggregates. Molin Concrete Products uses white or gray Portland cement or a blend of both to achieve the designers desired appearance. Pigments and aggregates are available in a wide range of colors. This Color Guide is intended to show variations of specific pigment selection shown with variations of cement color.
